Sunbed lamp change and service log

One log per bed.

tannoo

Salon name | Address | Period / year

Keep one log per bed. Follow the manufacturer's instructions for lamp life, service intervals and replacement parts, and only fit lamps and parts that meet the bed's specification. Take a bed out of use if it is faulty or overdue.

Bed name / number | Make and model | Serial number | Lamp hours limit (manufacturer)

Date	Work done (lamp change, acrylic, filter, service, electrical test, repair)	Lamp / hour meter reading	Parts fitted	Done by (name / company)	Next due	Checked (initials)
